New ECE Course Offerings for Fall 2009

• **ECE 247 – Effective Management & Supervision**

2 credits, Taught from 9/30 through 11/6

Mondays and Wednesdays, 7 – 8:15 p.m.

This course will focus on effective management and supervision in early care and education settings. Content will include: motivating staff, effective communication with staff and families, professional development, planning and facilitating effective staff meetings, hiring, training, retaining, mentoring and supervising staff, effective program management, and working to advance the field of early care and education.

Note: Prerequisites are ECE 190 and COM 135, or permission of the ECE Program.

• **ECE 252 – Infant/Toddler Curriculum**

3 credits, Thursdays, 7 – 9:50 p.m.

This course will focus on planning and implementing a curriculum for children ages birth to 3 years old. Students will learn a variety of infant and toddler theories and apply them to design curriculum for young children. Students will be utilizing major developmental domains such as physical, social, emotional, cognitive and language development. Students will learn and utilize best practice in infant/toddler curriculum planning including individualized curriculum, and caregiving relationships and routines as curriculum. An emphasis will be placed on the relationship between the environment and successful curriculum planning for infants and toddlers.

Note: Prerequisite of ECE 130, or permission of the ECE Program.

There is still time to register for summer courses as well!

ECE 124 – Sensorimotor Development of Infants/Toddlers (1 credit)

ECE 126 – Social-Emotional Development of Infants/Toddlers (1 credit)

ECE 151 – Math in the Preschool Curriculum (1 credit)

ECE 154 – Literature for Preschool Children (1 credit)

HDFS 201 – Lifespan Human Development (3 credits)

HDFS 202 – Introduction to Families (3 credits)

HDFS 232 – Diversity in Young Children (3 credits)
